Clarins face treatments

Youth from Kioto 240,- (time of treatment – 1 hour)

Intensively regenerating treatment enriched with the effect of phytohormone from Japanese plant - kudzu, known as the plant of everlasting youth. That exactly can be read from its Latin name *Pueria Lobata – Everlasting Young*.

The skin becomes more firm and the wrinkles are minimized.

Toning from Bavaria 240,- (time of treatment – 1 hour)

It restores juvenile firmness to the skin, the treatment is based on the properties of *Hop* rich in precursors of D vitamin.

It strengthens and shapes the face oval. The skin becomes firmer and better armed against tiredness that leaves tracks on the features and underlines the mimic wrinkles at the end of the day.

Moisturizing from Madagascar 240,- (time of treatment – 1 hour)

Intensively moisturizing treatment will quench thirst of dehydrated skin thanks to *Katafray* from Madagascar. Its leaves and bark are famous for their hydro-regulating properties.

It restores great comfort and gives the complexion full of glamour.

Maori glamour 240,- (time of treatment – 1 hour)

The excellent treatment for skin needed immediate regeneration. It is based on the properties of

Kiwi fruit, originated from New Zealand. Kiwi is famous for plenty of C and E vitamins. It gives energy to mat complexion, nourishes and improves the skin condition, restoring its natural brightness and vitality.

Tranquility from Palenque 240,- (time of treatment – 1 hour)

Ultra soothing treatment assures the skin feeling of comfort and restores its natural moisturizing. It is based on

Chayote, the plant from Central America, famous for its unusual healing properties. It immunizes and gives relief to vessel complexion.

Ideal mat from Mogok 240,- (time of treatment – 1 hour)

Effectively cleaning and soothing treatment, thanks to the values of the powder from Burmese tree

Tanaka. It mats the complexion, helps to keep the balance by regulating sebum secretion.

The treatment remains the skin refreshed for a long time.
